I hope you all had a lovely extended weekend with the Bank Holiday and were able to take advantage of some greater freedom with your families.

The children have settled well back into this final term of the year. We are slowly able to get back to some of the usual activities and ways of working in school and it has been wonderful to see so many children wanting to participate again in our after-school sports activities. They are also enjoying the chance to be playing on the school field and other areas of the environment, which allows more space and opportunity to play together.

It is a positive sign that we have been able to offer our parents' evening appointments face to face in school; staff have really missed the opportunity to meet and talk regularly with parents, which is one of the school's strengths. We are also happy to continue to accommodate those parents who have preferred to opt for telephone appointments instead.
