

# Duddon St. Peter's CE Primary School

Newsletter: Summer 2

*As the weather is improving and the summer seems to have finally arrived, we are looking forward to a variety of exciting events and activities. You have no doubt heard in the news about the high expectations of the recent year 6 SATs and I am so proud of all of our children who worked hard to prepare for and complete them to the best of their ability. They can now put these tests behind them and look forward to their preparations for transition to high school and the next step of their educational adventure. This is also the last year of the end of KS1 SATs tests as the government will no longer require our young children to sit formal tests. These 'examinations' as they have become, place a great deal of undue pressure on children and give them the wrong idea as to the purpose of education and only measure a small section of the curriculum.*

*Thank you for everyone's support regarding Mrs Knight's trip to Uganda with gifts and clothing. We hope that this opportunity will enable us to form links with the school who are hosting the group she is travelling with. We wish her a safe journey and look forward to hearing all about it*

*Paul Hudson  
Head teacher*

June 8th PTA meeting 3:45

June 16th Bingo
