

'Be the best you
can be'

Duddon St. Peter's CE Primary School

**Open Days—Please contact us to
arrange a convenient visit time.**

At Duddon St Peter's we place great value on the partnership between school and home. We have a happy, caring environment where children and parents form part of our school family. Our size enables us to carefully tailor teaching to meet the individual needs of each child enabling them to grow in confidence,

Our hope is that every child has the opportunity to realise their full potential. Our highly experienced teaching staff know the children well and pride themselves on the positive and effective relationships they build with them. All our children see themselves as successful learners and strive to be the best that they can be.

We would love to welcome you to our school, please contact us to arrange a visit.
