# **Allegations of Abuse Against Staff Policy**

### **Criteria**

In accordance with this guidance, where an allegation is made against anyone who works with children and that he/she

- Has behaved in a way that has harmed a child, or may have harmed a child.
- Possibly committed a criminal offence against or in relation to a child.
- Behaved towards a child or children in a way that indicates that he/she is unsuitable to work with children or where concerns arise about the person's behaviour with regard to his/her own children.
- Concerns arise about the behaviour in the private or community life of a partner, member of the family or other household member.

The following procedure will be implemented:

### **Responding to allegation or complaint**

The person who receives information regarding the allegation will not question the child or investigate the matter any further. They will:

- Treat the matter seriously, avoid asking leading questions, communicate with the child in a manner appropriate to the child's understanding and communication style.
- Make a written record of the information, where possible in the child's own words, stating when the alleged incident took place, who was present and what was said to have happened.
- The record must be signed and dated.
- The person receiving the information will report the matter immediately to the Head teacher, (who will report the matter to the Governing Body) or, where the allegation involves the Head teacher, to the Chair of Governors.

### **Initial action by Head teacher**

The Head teacher will not investigate the matter by interviewing the accused, the child making the allegation or any of the potential witnesses. They will:

- Obtain written details of the allegation, signed and dated by the person receiving the allegation or complaint.
- Countersign and date the written details.

- Record any other information about times, dates and location of any incident and the names of any potential witnesses.

If the allegation meets any of the criteria outlined above, the Head teacher will report it to the Local Authority Designated Officer (LADO) within one working day. Referral to the LADO will not be delayed in order to gather any further information.

The Head teacher and the school will co-operate with all relevant authorities involved and will share all relevant information about the person who is the subject of the allegation and the alleged victim to assist in any further investigation.

### **Informing accused person/Suspension**

The Governing Body will inform the accused person of the allegation as soon as possible after prior consultation with the LADO. The Governors will consider carefully whether the circumstances of the case warrant an immediate suspension of the person involved from contact with the children, until the allegation is resolved. The Governors will seek guidance from the LADO when considering a suspension. Any suspension will be on full pay, until decided otherwise.

### **Further action**

#### **Supporting those involved**

Parents or carers of any child involved will be told about allegations as soon as possible, after discussion with the LADO as to the most appropriate way this should be done and by whom. In cases where a child has been injured whilst in the school's care, the parents will be informed immediately.

The Governing Body will keep any staff member who is the subject of an allegation informed of the progress of the case and will arrange appropriate support/advise the accused to seek support from their trade union or relevant professional association.

### **Confidentiality**

Every effort will be made to maintain confidentiality and guard against publicity.

### **Record keeping**

The school will keep details of any allegations made and how the allegation was followed up and resolves. These records will be kept until the person reaches normal retirement age, or 10 years if that is longer, including for people who leave our employment. A copy will be given to the person. The purpose of the record will be to enable accurate information to be given in response to any future request for a reference and to provide clarification for future CRB disclosures.

### **Outcomes**

If after initial consideration between the Head teacher/Designated Manager and the LADO, it is clear that police or social care investigations are not necessary, the school will be guided by the LADO as to the most appropriate action.

The nature and circumstances of the allegation and evidence will determine the next course of action. If the nature of the allegation does not require formal disciplinary action, appropriate action will be instituted within 3 working days.

If a disciplinary hearing is required and can be held without any further investigation, the hearing will be held within 15 working days.

If, on conclusion of the case, it is decided that the person can return to work, the Governing Body will consider how best to facilitate the return and provide relevant support to the staff member and consider how to best manage the person's contact with the child who made the allegation. The parents/carers of the child will be kept fully informed of any decisions/actions taken by the Governing Body.

If an employee resigns or ceases to work for the school, any allegation must still be followed up in accordance with these procedures. Any staff references will state where an allegation has been made against the employee and will clearly state if the allegation was found to be false or unproven.
