Welcome back to the second half of the spring term, which although only short, still has plenty of activities and events packed into it.

Over the half-term break, some PTA volunteers worked hard to help clear the remains of the pavilion and to carry out more tidying up in the outside environment. Many thanks to those who helped with this, which makes such a difference. There is further work to follow if you are able to help!

The disco and bingo events went well, with the children obviously enjoying themselves. With the proceeds the PTA are intending to help with funds to support the new library and resource area.

SCHOOL COUNCIL: Well done to the School Council whose idea of having a cake sale to raise money to buy library books raised £78.40. A great effort; thank you to everyone who helped to support it.

The Bookswap which they also organised, went well too, with many children dropping in, bringing some books from home to swap and selecting some different ones in return, all ready for some reading over the half-term holiday. They will be organising another one in the summer term. If you have any spare books at home to donate to the Bookswap collection, please send them in so they can find a new home.
