The children in Class One had an amazing time in Burwardsley this week (and so did the staff!) The weather was fantastic and everyone enjoyed being together out in the sunshine. They walked from Beeston to Burwardsley and while they were there, they experienced the iron age roundhouse and sitting around the campfire with marshmallows and hot chocolate. They were very creative with their den building, and we were so pleased that the staff at the centre made so many kind comments about the excellent behaviour and politeness of the children.

Thank you to those staff who organised the visit and gave up their time to be with the children on the visit.

Some of the same children then took part in the Year One and Two football tournament at THS and had great success. They came second overall, winning four of our five games; it was great play and a shining example of how to represent the school. Well done to them all.

Please try and clear your Parent pay account by the end of Easter.
