5th September 2025

Welcome to the start of another school year. After a fantastic summer it has been lovely to hear the children talking about their holiday adventures and activities.

I would like to extend a particular welcome to those children and families who are just starting with us. We will enjoy getting to know you all.

This is our first term of our official federation with Barrow Primary School, and we are looking forward to working together with our newly formed Governing Body. More information about this will follow and will be added to the website.

The beginning of the new school year is always exciting for everyone, as the children settle into their new year groups, classes and work with different members of staff. It has already been nice to see the children from Treetops in the main school building this week – their enthusiasm is infectious!

I look forward to catching up with everyone and hearing how well the children are enjoying their new experiences.
