Newsletter

17th June 2020

We have all enjoyed receiving back some Nursery, Reception, Year One and Year Six children, as well as the increasing number of keyworker children this week.

Although making the new arrangements for their return was a challenge for staff, I am pleased to say that they did an amazing job of welcoming the children back, settling them in, particularly in the case of the younger children, and dealing with the changing numbers and groups.

We recognise the need for all children to spend some time in school as soon as possible, and we are looking at ways in which this could be achieved. In the meantime, staff are continuing to provide learning support for those not in school, as well as teaching those who have returned; this is quite a juggling act!

The children who have returned have been so pleased to meet up with friends, to socialise, even if at a distance, and to settle into structured learning again – they have actually missed school! They have accepted the new ways of working with our new rules and have behaved brilliantly, washing hands, staying socially distant from each other and thinking about how they move around the school.

It has also been good to meet up again with parents. Thank you to them in many cases for walking to school and for not staying for lengthy catch-up chats. Let us hope that the situation continues to show improvement.

*Paul Hudson
Head teacher*

WEATHER:

If the weather continues to be hot and sunny, please remember to put suncream on your child before he/she leaves home or give them some that they can apply themselves at school.

Mrs Entwistle's 'bubble' have been experiencing learning in their new environment of the hall and working really hard on The Ickabog (and thoroughly enjoying it!)

SCHOOL LUNCHES:

The cost of lunches for this half term is: £58.75 Fridays only: £11.75.

At present, we would appreciate parents confirming any changes in meal options on the previous day, so that Kerry does not waste food and can order only what she needs. Thank you.
