7<sup>th</sup> June 2022

Welcome back to the final half-term of the year. I hope that you and your families all enjoyed the celebrations of the Queen's Platinum Jubilee over the holiday, whether it was with a village or street party or simply celebrating with friends and family. As the Queen herself suggested, many memories will have been made to recall in the future.

The last part of the school year is always busy and there will be lots of activities going on. I would be very pleased to hear from anyone who is involved in planning activities for the Summer Fair, as it will soon be upon us.

**JUBILEE CELEBRATION DAY:** It was lovely to celebrate the Jubilee Day with so many parents and grandparents who came along to support the children. Our Acer tree was successfully planted by the three winners of our competition to paint/draw a picture of the Queen and we hope to see it grow each year. Underneath the tree, the children buried two time capsules with items which they had suggested that represent our current times. Their dance together as a whole school was great to watch – despite the weather!
