4th July 2022

Please make sure that you check the calendar dates for the events and activities over the next few weeks as we move towards the end of term. It is a busy time, with lots going on. We hope to see many of you attending the Summer Fair after school on Friday. Many thanks to those people who have been generous about giving up their time to organise the activities.

You will have recently received a copy of our new Parent Code of Conduct. Please take the time to read it carefully. As with many organisations, we are concerned about how communication and interaction take place around the school, and the Governing Body have had this under discussion for some time.

I would also like to remind all parents that if you wish to bring issues to the attention of your child's teacher, this should be done either through making an appointment, or at a time when you and the teacher are able to conduct the conversation calmly and confidentially, away from children or other parents. Ideally, this conversation, unless urgent, should not be conducted with the teacher at the start of the day, when they have to immediately return to teaching their class. Please remember that discussions should be respectful – the staff are professionals and go above and beyond what is required of them. The Governing Body and I will be monitoring this through communication with staff.
