16th July 2020

We have reached the end of this school year, which is one that we are unlikely to forget.

Seeing so many children returning to school over the last couple of weeks has been wonderful, especially seeing how easily they have slipped back into friendships, playing games, laughing and learning together.

It has been an interesting challenge for those staff who have had to adapt to teaching changing groups of children, but it has most definitely been worth the effort in order to achieve so many children being able to be back in school, even if not full time yet. Staff have also continued to provide work for those children still studying at home, as well as those at school. I am hugely grateful to them for their dedication and professionalism, especially through the time that I have been unable to be present in school.

We are all sad to be unable to finish the school year without our usual celebrations together and without our social events such as Sports Day and the PTA Summer Fair, where it is always so nice to get together with all our families.

We look forward to seeing everyone back in school together in September for the new school year. In the meantime, everyone deserves a holiday period, and a break from teaching duties for staff and parents! Thank you for all your good wishes and support. I hope that you enjoy a lovely summer break.

PARENTPAY: Please assist Mrs Novak and Mrs Studley by ensuring that your ParentPay accounts are up to date before the end of term. Thank you.

Goodbye and Good Luck:

Goodbye to all our Year Six pupils who leave on Friday to go to their respective high schools in September. Even without their usual transition events, they are still excited to be starting on the next step of their educational journey, and we are celebrating with them and their families on Friday afternoon.

We say a particular goodbye to all those families who have been with us for many years; thank you for all your support.

SCHOOL UNIFORM:

Please make sure that you have placed uniform orders for your children as soon as possible, to enable them to be delivered before the end of July.
