18th July 2022

We have at last achieved a 'normal' school year, with the return of trips, residentials, PTA social events and other activities. As with all school years, it seems to have passed quickly; children have worked hard to achieve their best, encouraged by our dedicated staff, who all go above and beyond their job descriptions.

I take this opportunity to thank all parents for their support for their children and the school, as well as to thank the staff and governors who make the school run effectively. As always, we have a few children apart from Year Six pupils, who are leaving us and moving on to other places; we wish them well at their new schools. To those staff who are leaving, we thank them for their hard work and commitment and hope they enjoy their new opportunities outside school.

In September, Abigail Langan will join the school office as our Bursar, and Rachel Done will also be working in the office as our new administrative assistant. Hopefully, everyone will have a well-earned and enjoyable summer break, and I look forward to seeing you all in September.

SCHOOL OPENS**

GOODBYE TO YEAR SIX

On Friday we will say goodbye to our current Year Six pupils. They have shown an increasingly mature attitude and are certainly ready to proceed on the next stage of their educational journey. We wish them well and thank them for sharing their talents with us over the years.

We say an especially fond goodbye to those families who leave us after many years, this being the last of their children to move on from the school.

PARENTPAY:

Please remember to check your accounts and ensure that **any outstanding payments are made promptly** by the end of term.

SCHOOL UNIFORM:

Please ensure that when school resumes in September, all children are wearing the correct school uniform and shoes. Trainers are not part of the school uniform except for PE.

Checked shirts and dresses may still be worn until the autumn half-term.
